DIocese of ROCKVILLE CENTRE  
 SEEDS OF THE KINGDOM

Easter 2010

Dear Brothers and Sisters in Christ,

“YES. CHRIST MY HOPE IS ARISEN!  
 HAVE MERCY, VICTOR KING, EVER REIGNING”

The perennial hymn of joy, the Sequence Hymn of Easter Mass, expresses our faith in the Son of God who rose from the dead that first Easter morn, the hope of every Christian who embraces His life in His Church and the confidence we place in the Eternal One who is risen and reigns forever as the victorious Son at the right hand of the Father of merciful love.

Even in the midst of darkness and sin, even in times of trouble and sorrow, even when the Church and our beloved Holy Father, Pope Benedict XVI, are being vilified by evil forces and false accusations aimed at undermining the Church, we are one in our proclamation of faith, our cry of hope, our embrace of the cross which leads to the everlasting Sunday of Easter glory. This Easter, as every Easter, we proclaim the triumph of light over darkness, the victory of life over death, the fulfillment of a promise made by God that can never be extinguished, never be destroyed.

This Easter, at the Saturday eve Vigil and the Sunday Masses, you, the good people of our Diocese, will gather in our parishes to join with me and my brother priests in celebrating the Resurrection of Our Lord and Savior Jesus Christ. Catechumens will receive the Easter sacraments, candidates will be admitted into full communion and you and I will renew our own baptismal commitment through the Easter Creed that expresses what together we believe. As we hear God's Word proclaimed, we spiritually join Mary Magdalene at the empty tomb and we believe with Peter and John and the whole Church that He is risen, He is truly risen! As we gather around the altar of sacrifice, we enter into the holy of holies, where Christ, the eternal Son of God, is once again the priest who offers Himself, the victim slain and the Head who call us, His Body, to share in His sacramental body and blood and become ever more the one body of Christ on earth.

Ours is the greatest gift anyone can ever receive: life in Christ. His life unites us and makes us His Body, the Church. We are one and we must always strive to maintain that unity and witness it to the world. No one who gathers with us to celebrate Easter should ever be an instrument of disunity. No one who is united to Christ can be in disharmony with His Church. For He who is risen has broken down the barriers and made us all one in Him. With all my heart I embrace each and every member of this Church at Rockville Centre spread across Long Island. With all my heart I thank God for you and the witness of life and love you give to our brothers and sisters in our towns and villages. With all my heart I pledge to you my service as your bishop and brother, your priest and your friend. We are the People of God. We are One in the life he gives us.

CHRIST IS RISEN! HE IS TRULY RISEN! AMEN! ALLELUIA!

Bishop of Rockville Centre

**The Easter Season: The Great Fifty Days**

The Easter season stretches over many weeks every year. While Lent lasts forty days, the Easter season lasts fifty. I think this allotment of time shows the importance the Church gives to this time of the year. During the season, we will once again hear familiar stories of how the men and women believers of the early church heard and responded to the fact that Jesus had been raised from the dead. They were half-fearful and half-joyful at times as well as bewildered, doubting, and confused at others. But, each one would see the Risen Lord and then proclaim the message to others. The witnesses became evangelists. Perhaps, we could do the same this season. Might we reach out to one other person-family member, friends, neighbor and invite that person to come to Mass and

share the Good News with us? Sometimes, all it takes is a friendly invitation.

**An Easter Thank You**

We have received so many compliments from parishioners and visitors about our Holy Week liturgies, Morning Prayer during the Triduum, and the general ambiance of the Church and campus this Easter time. As you know it took the planning and hard work of many, many people to accomplish this. I would like to thank in particular:

- \*Our Music Ministry—Mr. Vaughn Watson...our choirs...cantors...and parishioners who sang and The Revelation for leading the Good Friday evening Stations.
- \*Our Liturgical Ministers—Eucharistic Ministers, Lectors, Servers and Ushers.
- \*Our environmental 'planners and do-ers'
- \*Our ever present Maintenance staff
- \*Our Pastoral Team—Priests and Deacons and Staff
- \*The speakers at our Triduum Morning Prayer Services:

Mrs. Lucille Koch

Mr. Jim Fenton

Mr. Bill Fox

If I have forgotten any groups, please attribute it to post-Easter amnesia. It was a great week.

**THANK YOU—ONE AND ALL...**

# 2010 CATHOLIC MINISTRIES APPEAL

One Faith, One Hope,  
Many Gifts.

**100% of all money raised by the Catholic Ministries Appeal goes to support the five critical ministries of the Appeal.**

Every year, through the support and commitment of individuals and organizations, we serve more than 500,000 people in our Long Island community. This support enables our children to continue to receive the gift of spiritual formation, sacramental preparation, and quality education. It allows seminarians, deacons, and lay leaders to fulfill their calling to serve their community. With your support Catholic Charities can maintain its services for the poor and disadvantaged, and we can continue to reach out to our young people and others to find the best ways to guide and pass on our faith from generation to generation.

***Did you know that last year because of the Catholic Ministries Appeal?***

- **We delivered or served more than 500,000 meals to senior citizens and families.**
- **Parish outreach centers, including our food pantries, have seen a 25% increase in demand, and provided direct services to more than 17,000 individuals and families every month.**
- **Our Office of Hospital Ministry served more than 300,000 people in local hospitals.**
- **17,000 volunteer Catechists taught religious education to more than 110,000 of our children in public schools.**
- **In our 133 Parishes there were more than 17,000 Baptisms, 17,000 First Communions, 19,000 Confirmations and 3,000 weddings.**
- **Over the past two years, 17 men were ordained to the priesthood after attending the Seminary of the Immaculate Conception in Huntington.**
- **We provide safe and affordable housing to people in our community with 15 senior housing facilities with more than 1,200 affordable apartments.**
- **99% of all our diocesan high school graduates went on to college**

*You can make a difference in your parish and in the lives of those around us by making a gift to this year's appeal.*

The Nassau County District Attorney has recognized that the County is suffering from a heroin problem of epidemic proportions. In "Not My Child," a 45-minute slideshow presentation, her staff presents stories of heroin addiction and discusses signs of addiction and ways to try and combat the problem. The presentation includes a statistical comparison of heroin deaths to other crime related fatalities to illustrate how significant a problem this is in our communities. There is also a discussion of recent heroin investigations and their impact on our neighborhoods. This piece is designed to inform parents and educators that no child is immune from this growing problem, that it is difficult to spot in its early stages, that EVERY community can suffer from its effects and that we must all partner to tackle this deadly issue. This presentation complements the presentations of both the police department and treatment facilities.
